

Student Perception Survey

Raising voices to drive school quality

2023-2024

Sample Survey Questions

This work is supported by the Michigan Health Endowment Fund which works to improve the health and wellness of Michigan residents, and reduce the cost of healthcare with a special focus on children and seniors. You can find more information about the Health Fund at mihealthfund.org.

Domains

The MI Student Voice Perception Survey consists of three domains that districts can choose from: Social and Emotional Learning, Student Engagement, and Belonging.

Scale

Students answer questions using two scales: Frequency Scale and Perception Scale.

A frequency scale measures the rate at which something occurs. The five-point scale is associated with a numerical value in order to find the average response to each question and domain. The higher the average, the better the student experience.

Social-Emotional Learning

- Are you able to stay calm when things are going wrong for you?
- Do you respect other people's point of view, even if they disagree with you?
- Do you feel connected to the students at your school?

Student Engagement

- Do your teachers encourage you to do your best?
- Do your teachers take time to make sure you understand the lesson?
- Do you feel like you are capable of learning anything?

Belonging

- Do you feel like you belong at your school?
- Is your school a place where you are able to try and do your best?
- Does your school make all types of students feel welcomed and included?
